MBA	Business Analytics	2 Years	Graduation or Eq.	70000
BCA	Artificial Intelligence & Data Science	3 Years	10+2/Diploma/Eq.	70000

World-Class Faculty

Distinguished faculty members who are experts in their respective fields.

Vibrant Campus Life

Vibrant campus life filled with extracurricular activities, cultural events, and recreational opportunities.

Seminars / Workshops

Exposure to cutting-edge technologies through seminars and workshops

Supportive Community

Robust support network, ranging from clubs and student organizations to career counselors and academic advisors.

Academics Monitoring

Continuous assessment of each & every student's progress

Placement

Well networked with 100+ industries

Comprehensive Programs

Wide range of programs designed to meet your academic and professional goals.

Skill Development Activities

Focus on skill development activities to make students industry-ready

Prominent Learning Resources

Providing world-class study material like video lectures, e-notes, presentations

Industry Partnerships

Strategic partnerships with leading organizations and companies. Real-world experience through Internships, projects, and networking opportunities.

Scholarships and Financial Aid

AIU offers a range of scholarships, grants, and financial aid options to eligible students.

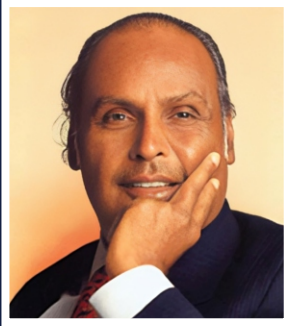

Earn While You Learn

Students can earn & learn by participating in industrial consultancy projects

Why
Study
@
AIU?

**"Unlock your potential, expand your horizons.
At Aryavart International University, we pave the path to
knowledge, empowering minds to shape the future."**

Dhirubhai Ambani

"Give the youth a proper environment. Motivate them. Extend them the support they need. Each one of them has infinite source of energy. They will deliver."

"The purpose of education is to make good human beings with skill and expertise. Enlightened human beings can be created by teachers."

A.P.J. Abdul Kalam
